COMPANY PROFILE · 2026

Medical to Door

Home Healthcare Services

A subsidiary of Alinaya Alrafia Medical Company

WHO WE ARE

About Medoor

Medoor is a home healthcare company delivering professional medical services directly to patients across Saudi Arabia. Founded under the Alinaya Alrafia Medical Company group, we bring licensed physicians, nurses, and specialist clinicians to your door — enabling recovery and comfort without hospital visits.

Our model coordinates a professional care team operating in your home — maintaining clinical standards while reducing the burden on families and healthcare facilities.

- Pediatrics
- Obstetrics & Postnatal
- Physical therapy
- Psychological support

Diagnostic Services

In-home laboratory and imaging services for accurate clinical assessment.

- Blood & lab tests
- ECG & monitoring
- Portable imaging
- Health screenings

Corporate Health

Occupational health programs and event medical coverage for organisations.

- Executive medical check-ups
- Event & site medical cover
- Employee wellness programs
- Occupational health assessments

CLINICAL EXPERTISE

Specialised Home Services

Beyond routine visits, Medoor provides specialist-level care at home — including postnatal nursing, therapeutic infusions, and comprehensive clinical assessments.

Postnatal Care

Specialist nursing visits for mother and newborn in the critical first weeks.

IV Therapy & Vitamins

In-home intravenous infusions, vitamin drips, and hydration therapy.

Paediatric Assessment

Comprehensive home-based check-ups for children of all ages.

Post-Surgical Recovery

Supervised wound care, medication management, and rehabilitation visits after discharge.

Chronic Disease Management

Ongoing care for diabetes, hypertension, and other long-term conditions — monitored from home.

SERVICE AREAS

Where We Serve

Medoor serves patients across three primary regions in Saudi Arabia — operating from a Riyadh hub with active service in the Western and Eastern regions. Our clinical teams coordinate from each region to ensure fast, local response.

HQ

CENTRAL REGION

- Riyadh
- Al-Kharj
- Qassim

WESTERN REGION

- Jeddah
- Makkah

Coverage is actively expanding. If your city is not listed, please contact us — we may already be serving or planning coverage in your area.

OUR PEOPLE

The Team Behind Your Care

Our multidisciplinary team includes licensed physicians, specialist nurses, and qualified medical specialists — delivering coordinated home care across Saudi Arabia.

Physicians

Highly skilled and board-certified doctors dedicated to providing exceptional care.

Nurses

Compassionate and experienced nursing professionals committed to patient-centered care.

Physiotherapists

Expert Saudi therapists skilled in rehabilitation, ensuring improved patient mobility and recovery.

Radiology Techs

Highly trained imaging specialists essential for accurate diagnosis and treatment planning.

Caregivers

Dedicated professionals providing support and personal care to patients at home.

Ambulance Team

Highly responsive emergency personnel ready for events and site coverage.

Health Educators

Professionals teaching patients and communities about health and disease prevention.

Support Staff

Operations 24/7 — insurance, finance, IT developers and more.

MISSION & VISION

Our Purpose & Direction

OUR MISSION

What We Do

To deliver professional, compassionate home healthcare services that bring clinical excellence to patients across Saudi Arabia — enabling recovery, independence, and a better quality of life within the comfort of home.

OUR VISION

Where We're Going

To be the most trusted home healthcare provider in Saudi Arabia — setting the standard for in-home medical care and making quality healthcare accessible to every patient, wherever they are.

WHY CHOOSE MEDOOR

The Medoor Difference

01

Licensed Professionals

All care providers are licensed and credentialed under Saudi health authority standards.

02

Patient-Centered Care

Individualized plans designed around each patient's unique clinical and personal needs.

03

Flexible Scheduling

Visit scheduling that fits the patient's routine, including evenings and weekends.

04

Vision 2030 Aligned

Contributing to Saudi healthcare transformation — expanding access and raising standards.
