HOLDING

INVESTOR PROFILE · 2026

Building a Healthier, More Beautiful and Prosperous Future.

TAG Holding Group is a Saudi holding company based in Riyadh, with a diversified portfolio spanning healthcare, wellness, beauty, events, and professional development.

ABOUT TAG HOLDING

A Diversified Holding Platform Built for Saudi Arabia

TAG Holding Group is a Saudi holding company based in Riyadh, with a diversified portfolio of businesses founded on a legacy of healthcare and entrepreneurship.

The Group's activities span healthcare services, ambulance manufacturing, medical equipment supply, dialysis, medical and scientific services, wellness and beauty, events management, hospitality training, and professional development — aligned to the opportunities of Saudi Vision 2030 and the Kingdom's expanding private sector.

Anchored in values of excellence, trust, and innovation, TAG Holding works to deliver meaningful outcomes across every sector it serves.
