HOLDING GROUP

DRAFT

- **Executive Summary**

W Holding Group is envisioned as a diversified Saudi investment platform headquartered in Riyadh, focusing on healthcare excellence, medical technology, specialized treatment services, healthcare products, and professional medical education.

The Group aims to become one of the leading healthcare investment destinations in the Middle East by attracting strategic international investors, healthcare operators, private equity funds, sovereign wealth funds, medical technology companies, and healthcare innovators.

Aligned with the national transformation objectives of Saudi Vision 2030, W Holding Group will focus on sustainable healthcare investments, advanced medical technologies, medical training excellence, and specialized healthcare services.

- **Vision**

To become the most trusted healthcare investment platform in Saudi Arabia and a regional hub for medical innovation, healthcare services, and advanced medical education.

- **Mission**

To develop world-class healthcare institutions and medical technology ventures that improve lives, create economic value, and deliver sustainable returns for international investors.

- **Core Healthcare Portfolio**

1. Al-Worood Medical Center

Strategic Positioning

A premium multi-specialty outpatient healthcare center offering:

- Family Medicine
- Internal Medicine
- Pediatrics
- Cardiology
- Endocrinology
- Diabetes Care
- Dermatology
- Orthopedics
- Physiotherapy

- Diagnostic Services

Growth Strategy

- Expansion of specialized clinics
- Telemedicine services
- Corporate healthcare packages
- International patient programs
- Preventive healthcare programs

2. Al-Khawaled Kidney Dialysis Center

Strategic Positioning

A specialized center dedicated to renal care and dialysis treatment.

Investment Opportunities

- Expansion across Saudi regions
- Home dialysis programs
- Artificial intelligence monitoring systems
- International partnerships with leading nephrology institutions
- Regional dialysis network development

Competitive Advantage

Growing demand for kidney care services in the GCC region.

3. Al-Enaya Al-Rafia Medical Company

Strategic Positioning

Comprehensive healthcare management and medical services company.

Business Activities

- Healthcare operations management
- Medical staffing solutions
- Hospital consultancy

- Clinical quality management
- Healthcare outsourcing

International Investor Appeal

Scalable healthcare services model with regional expansion potential.

4. Al-Majoura Medical Technology & Medical Education Company

Strategic Positioning

A regional leader in healthcare innovation and professional medical education.

Activities

- Medical simulation centers
- Continuing medical education (CME)
- Digital healthcare training
- AI healthcare applications
- Medical technology incubation

Strategic Partnerships

Potential collaboration with:

- Siemens Healthineers
- Philips
- GE HealthCare
- Leading international universities
- Global healthcare research institutions

5. Healthcare Products & Training Division

Business Areas

- Medical consumables
- Healthcare equipment distribution
- Wellness products
- Rehabilitation products
- Healthcare professional training

Revenue Streams

- Product sales
- Licensing agreements
- Distribution partnerships
- Training programs
- Certification programs

Position Riyadh as the regional capital of healthcare investment.

- **Long-Term Objective**

To establish **W Holding Group** as the premier healthcare investment platform in Saudi Arabia, managing a diversified portfolio of medical centers, dialysis facilities, healthcare technology ventures, medical education institutions, and healthcare products businesses, while attracting international capital and strategic partnerships worth **USD 250–500 million** over the next 5 years.

Proposed Investment Slogan

"W Holding Group – Investing in Health, Empowering the Future."

Alternative Premium Slogan

"Where Global Healthcare Investors Meet Saudi Opportunities."

- **W HOLDING GROUP**

Beauty & Wellness Division – Global Investment Strategy

Following the Healthcare Division, the second strategic pillar of W Holding Group will be the Beauty, Wellness & Luxury Lifestyle Sector, designed to capitalize on the rapidly growing beauty economy in Saudi Arabia, the GCC, and international markets.

- **Beauty Sector Portfolio**

GA Salon Group

Existing & Planned Operations

Saudi Arabia

- **Riyadh Branch**
- **Jeddah Branch**

United Arab Emirates

- **Dubai Branch**

Red Sea Luxury Tourism Destination

- **Six Luxury Beauty & Wellness Branches**

Located within the emerging luxury tourism ecosystem of the Saudi Red Sea development, creating a unique beauty and wellness destination for high-net-worth residents, international visitors, and luxury resort guests.

Strategic Vision

To establish GA Salon as the leading Saudi luxury beauty brand with a regional and international footprint, combining:

- **Luxury salon services**
- **Advanced beauty treatments**
- **Haircare innovation**
- **Beauty education**
- **Premium retail products**
- **Wellness experiences**
- **Market Opportunity**

Saudi Arabia is becoming one of the fastest-growing beauty and wellness markets globally, supported by:

- **Growth of luxury tourism**
- **Rising disposable income**
- **Expanding female workforce participation**
- **Premium lifestyle demand**
- **Vision 2030 tourism initiatives**

- **Rapid growth of beauty e-commerce**

The beauty and personal care market across the GCC is expected to continue strong expansion over the coming decade, creating significant opportunities for investors.

- **GA Salon Business Model**

Five-Year Growth Plan

Year 1

- **Strengthen Riyadh, Jeddah, and Dubai operations**
- **Launch 24-product portfolio**
- **Develop e-commerce platform**

Year 2

- **Open first Red Sea flagship locations**
- **Launch GCC distribution network**

Year 3

- **Establish Beauty Academy**
- **Enter Kuwait, Qatar, and Bahrain**

Year 4

- **Develop manufacturing operations**
- **Expand international exports**

Year 5

- **Build 50+ salons across the GCC and MENA region**
- **Prepare for strategic investment or public listing**

Strategic Synergy with Healthcare Division

The Beauty Division can work closely with:

- **Al-Worood Medical Center**
- **Al-Majoura Medical Technology & Education Company**
- **Healthcare Products Division**

To create integrated offerings in:

- **Hair restoration**
- **Dermatology aesthetics**
- **Wellness programs**
- **Medical beauty solutions**
- **Professional beauty training**
- **Beauty Division Vision Statement**

"To create the most admired luxury beauty and wellness brand born in Saudi Arabia and recognized across the world."

Investor Positioning

GA Salon Group
"From Riyadh to the Red Sea and Beyond The Future of Luxury Beauty."

This Beauty Division can become one of the strongest value drivers within W Holding Group, with the potential to evolve into a regional beauty conglomerate spanning salons, products, wellness destinations, training academies, and international franchising.

W HOLDING GROUP

- **Education & Human Capital Division**

Building the Future Talent of Saudi Arabia

The Education Sector will become the third strategic pillar of W Holding Group, complementing its Healthcare and Beauty divisions. This sector aligns directly with the objectives of Saudi Vision 2030 by developing national talent, supporting workforce localization, and creating globally recognized educational institutions.

- **Strategic Vision**

To establish W Holding Group as one of the leading private education and professional development groups in the Middle East, creating specialized academies and colleges that prepare future leaders in healthcare, business, beauty, fashion, hospitality, protocol, and luxury services.

- **EDUCATION PORTFOLIO**

1. <u>GA Salon Academy</u>

The First Specialized Beauty & Hair Academy in Saudi Arabia

Vision

To become the leading beauty and cosmetology academy in the GCC region.

Programs

- **Hair Styling & Hair Science**
- **Hair Coloring & Chemical Treatments**
- **Beauty Therapy**
- **Makeup Artistry**
- **Salon Management**
- **Luxury Customer Experience**
- **Aesthetic Business Management**

Strategic Advantage

- **Direct integration with GA Salon branches**
- **Practical training opportunities**

- **Product development laboratories**
- **International certification programs**
- **Employment pathways within the Group**

Investor Opportunity

A scalable academy model with future franchise opportunities throughout the GCC.

2. Saudi Protocol & Etiquette Academy

Vision

To become the premier institution for protocol, diplomacy, hospitality, etiquette, leadership presence, and luxury service excellence.

Programs

- **Diplomatic Protocol**
- **Royal Protocol**
- **Corporate Etiquette**
- **International Business Etiquette**
- **Executive Presence**
- **Hospitality Excellence**
- **VIP Guest Management**
- **Event Management Protocol**

Target Markets

- **Government entities**
- **Royal protocol departments**
- **Hospitality industry**
- **Airlines**
- **Luxury hotels**
- **Corporate executives**
- **Event professionals**

Unique Positioning

The first academy of its kind in Saudi Arabia focused on international protocol and etiquette standards.

3. Royal Academy for Fashion Education

Vision

To position Riyadh as a regional center for fashion education and luxury design.

Programs

- **Fashion Design**
- **Luxury Brand Management**
- **Fashion Marketing**
- **Fashion Business**
- **Textile Innovation**
- **Fashion Technology**
- **Fashion Show Production**
- **Fashion Entrepreneurship**

Strategic Partnerships

Potential collaborations with:

- **London College of Fashion**
- **Istituto Marangoni**
- **Parsons School of Design**

Industry Integration

Graduates gain direct access to regional fashion events, luxury brands, and international industry networks.

Higher Education Platform

4. College of Nursing & Medical Services

Strategic Importance

Saudi Arabia's healthcare expansion requires thousands of qualified healthcare professionals annually.

Academic Programs

- **Nursing**

- **Emergency Medical Services**
- **Healthcare Administration**
- **Clinical Laboratory Sciences**
- **Medical Imaging**
- **Healthcare Quality Management**

Competitive Advantages

- **Direct linkage with W Holding healthcare facilities**
- **Clinical training opportunities**
- **Employment pipeline**
- **International accreditation opportunities**

Investor Value

Strong demand, government support, and recurring long-term enrollment growth.

5. College of Business Administration

Vision

To develop future business leaders, entrepreneurs, and executives for Saudi Arabia and the GCC.

Programs

- **Business Administration**
- **Finance**
- **Investment Management**
- **Entrepreneurship**
- **Marketing**
- **International Business**
- **Digital Transformation**
- **Artificial Intelligence for Business**

Executive Education Center

Offering:

- **CEO Programs**
- **Board Governance Programs**
- **Family Business Management**
- **Investment Strategy Programs**
- **Leadership Development**

Strategic Advantage

Direct integration with W Holding Group's investment ecosystem.

W Holding Education City

Long-Term Mega Project

Concept

A dedicated educational campus in Riyadh incorporating:

- **GA Salon Academy**
- **Saudi Protocol & Etiquette Academy**
- **Royal Fashion Academy**
- **College of Nursing & Medical Services**
- **College of Business Administration**

Additional Facilities

- **Innovation Center**
- **Research Center**
- **Student Housing**
- **International Conference Center**
- **Digital Learning Studios**
- **Entrepreneurship Hub**

<u>International Investor Attraction Strategy</u>

- **Launch College of Nursing & Medical Services**
- **Launch College of Business Administration**
- **Secure international accreditations**

Phase 3 (Years 5–7)

- **Develop W Holding Education City**
- **Expand regionally**
- **Attract international students**
- **Establish global academic partnerships**

Strategic Integration Across W Holding

The Education Division creates powerful synergies with the Group's other sectors:

Healthcare Division

- **Nursing education**
- **Medical training**
- **Healthcare certifications**

Beauty Division

- **Beauty academies**
- **Salon workforce development**
- **Product innovation training**

Future Hospitality & Tourism Projects

- **Protocol education**
- **Luxury service training**
- **Hospitality leadership programs**

❖ **Global Investor Message**

W Holding Education Division is not merely a collection of academies and colleges; it is a comprehensive human capital platform designed to educate, train, certify, and employ future generations across healthcare, beauty, business, fashion, and leadership sectors.

Investment Vision 2035

"Developing Talent. Creating Leaders. Empowering Nations."

By combining Healthcare, Beauty, and Education under one integrated ecosystem, W Holding Group can position itself as a unique Saudi investment platform capable of attracting regional and international investment while supporting the Kingdom's transformation into a global center for knowledge, innovation, healthcare, and luxury services.

W HOLDING GROUP

Manufacturing & Industrial Sector

The Fourth Strategic Pillar of W Holding Group

The Manufacturing Division will serve as the industrial backbone of W Holding Group, creating strong vertical integration between Healthcare, Education, Beauty, and Industrial Manufacturing while positioning the Group as a regional producer and exporter serving the GCC, Middle East, Africa, and Asian markets.

This division combines high-growth healthcare manufacturing with industrial production, creating long-term recurring revenues and increasing the Group's valuation for international investors.

W HOLDING INDUSTRIAL PLATFORM

Strategic Manufacturing Portfolio

1. Ambulance Outfitting & Emergency Vehicles Plant

Riyadh – Saudi Arabia

Vision

To become one of the leading manufacturers and outfitting providers of ambulance and emergency response vehicles in the GCC region.

Products

- **Advanced Life Support (ALS) Ambulances**
- **Basic Life Support (BLS) Ambulances**
- **Mobile Medical Clinics**

- **Emergency Response Vehicles**
- **Disaster Response Units**
- **Mobile Diagnostic Vehicles**
- **Telemedicine Ambulances**

Target Clients

- **Ministries of Health**
- **Government Agencies**
- **Hospitals**
- **Military Organizations**
- **Civil Defense**
- **Private Healthcare Operators**
- **International Aid Organizations**

Competitive Advantages

- **Local manufacturing capability**
- **Reduced import dependency**
- **Fast customization**
- **Integration with W Holding Healthcare Division**
- **Regional export opportunities**

2. Medical Sutures Manufacturing Plant

Riyadh – Saudi Arabia

Vision

To become a trusted regional manufacturer of high-quality surgical sutures and medical consumables.

Product Portfolio

Absorbable Sutures

- **Polyglactin**
- **Polyglycolic Acid**

- **Catgut Alternatives**

Non-Absorbable Sutures

- **Nylon**
- **Polypropylene**
- **Silk**
- **Polyester**

Future Expansion

- **Surgical Mesh**
- **Wound Closure Devices**
- **Disposable Surgical Products**
- **Advanced Surgical Consumables**

Strategic Value

The GCC healthcare sector imports a significant portion of its surgical consumables, creating an attractive opportunity for local production and export.

Market Potential

Targeting:

- **Hospitals**
- **Clinics**
- **Medical Distributors**
- **Government Procurement Programs**
- **International Healthcare Markets**

3. Doors & Windows Manufacturing Plant

Sultanate of Oman (Under Construction)

Vision

To become a leading regional manufacturer supplying premium architectural solutions for residential, commercial, hospitality, healthcare, and tourism developments.

Product Categories

- **Aluminum Doors**
- **Aluminum Windows**
- **Luxury Glass Systems**
- **Curtain Wall Systems**
- **Smart Architectural Solutions**
- **Hotel & Resort Solutions**
- **Healthcare Facility Systems**

Target Markets

- **Saudi Arabia**
- **Oman**
- **UAE**
- **Qatar**
- **Bahrain**
- **Kuwait**

Strategic Opportunity

The rapid expansion of construction, tourism, healthcare facilities, luxury resorts, and smart cities throughout the GCC creates sustained long-term demand.

Industrial Growth Strategy

Phase 1 (Years 1–2)

Establish Core Operations

- **Complete Oman factory construction**
- **Launch ambulance manufacturing operations**
- **Launch medical sutures production**
- **Obtain international certifications**

Required Certifications

- **ISO 9001**
- **ISO 13485 (Medical Devices)**
- **CE Certification**

- **GCC Standards Compliance**

Phase 2 (Years 3–5)

Regional Expansion

- **Export across GCC markets**
- **Government contract acquisition**
- **Strategic partnerships with international manufacturers**
- **Expansion into additional medical consumables**

Phase 3 (Years 5–10)

Industrial Ecosystem Development

Development of a dedicated industrial cluster supporting:

- **Medical manufacturing**
- **Emergency vehicle production**
- **Healthcare equipment**
- **Building materials**
- **Smart construction solutions**

Investment Opportunity

Why International Investors Will Be Interested

Defensive Healthcare Manufacturing

- **Growing healthcare demand**
- **Government procurement opportunities**
- **Stable recurring revenues**

Infrastructure Growth

Massive development projects across Saudi Arabia and the GCC support strong demand for construction products.

Strategic Geographic Position

Facilities in both Saudi Arabia and Oman provide access to:

- **GCC Markets**
- **Middle East**
- **East Africa**
- **South Asia**

Revenue Structure

Ambulance Manufacturing

Future Real Estate & Hospitality Projects

- **Doors and windows products**
- **Healthcare facility construction support**
- **Resort and hotel development materials**

Investor Positioning

W Holding Industrial Division

"Manufacturing the Future of Healthcare, Infrastructure, and Innovation."

Long-Term Vision 2035

To establish W Holding as a diversified industrial and healthcare manufacturing group with operations in Saudi Arabia and the Sultanate of Oman, serving regional and international markets while creating sustainable value for investors.

cmbined W Holding Group Vision

After integrating:

1. **Healthcare Sector**
2. **Beauty & Wellness Sector**
3. **Education Sector**
4. **Manufacturing & Industrial Sector**

W Holding Group becomes a diversified investment platform with complementary businesses, strong cash-flow generation, recurring revenues, and substantial expansion potential.

Target Investment Objective

USD 500 Million – 1 Billion in strategic investments over the next 5–10 years, positioning Riyadh as the headquarters of one of the Middle East's most dynamic healthcare, education, beauty, and industrial holding groups.

Global Investor Message

"W Holding Group – Building Health, Beauty, Knowledge, Industry, and Prosperity from Saudi Arabia to the World."

W HOLDING GROUP

Investment, Innovation & Artificial Intelligence Sector

The Fifth Strategic Pillar of W Holding Group

This sector represents the strategic engine that drives investment attraction, capital deployment, innovation, business growth, artificial intelligence transformation, and global market expansion across all W Holding Group companies.

By integrating investment advisory, project financing, media influence, marketing capabilities, and artificial intelligence leadership, W Holding Group can position itself as one of the most attractive investment platforms in Saudi Arabia and the Gulf region.

INVESTMENT & INNOVATION PORTFOLIO

1. Al Washam Investment Consulting & Economic Feasibility Studies Company

Strategic Role

The official investment advisory and project development arm of W Holding Group.

Core Services

- **Economic feasibility studies**

- **MMM International**
- **AIA Artificial Intelligence Ecosystem**

6. Trade & E-Commerce Sector

- **Medical Equipment Import & Export**
- **Beauty Equipment Distribution**
- **Digital Commerce Platform**

  - **Investor Positioning Statement**

W Holding Group is not merely a holding company—it is a diversified Saudi investment ecosystem spanning healthcare, beauty, education, manufacturing, trade, project finance, artificial intelligence, media, and technology.

2035 Strategic Objective

- **Regional Headquarters in Riyadh**
- **Operations across Saudi Arabia, UAE, and Oman**
- **Expansion into 20+ international markets**
- **Portfolio of 50+ companies and brands**
- **Target valuation exceeding USD 5 Billion**

Global Investor Message

"W Holding Group – Connecting Global Capital with the Future of Saudi Arabia."

Health • Beauty • Education • Manufacturing • Investment • Artificial Intelligence • Trade & E-Commerce

---

- **W HOLDING GROUP**

Hospitality, Tourism & Real Estate Sector

The Seventh Strategic Pillar of W Holding Group

The Hospitality, Tourism & Real Estate Division is strategically positioned to capitalize on the unprecedented growth of tourism, business travel, international investment, and corporate relocation to Riyadh and the Kingdom of Saudi Arabia.

This division aligns directly with the objectives of Saudi Vision 2030, which seeks to position Saudi Arabia among the world's leading tourism, investment, and business destinations.

- **Strategic Vision**

To become a leading Saudi hospitality and business accommodation group by developing integrated hotel, serviced office, and business-support destinations that serve investors, entrepreneurs, corporate executives, tourists, and government delegations.

- **Hospitality & Tourism Portfolio**

Rawnak Hotel Riyadh

The Business Hospitality Destination

Prime Location

Located in the heart of Riyadh, providing direct access to:

- **Government ministries**
- **Financial institutions**
- **Corporate headquarters**

W Holding 2035 Vision

"Building Saudi Arabia's Most Integrated Investment Ecosystem."

Global Investor Slogan

"Invest in Riyadh. Grow with Saudi Arabia. Prosper with W Holding Group."

Your conclusion should serve as the powerful closing statement of the W Holding Group Investor Prospectus, designed to inspire confidence among international investors, sovereign wealth funds, family offices, and global strategic partners.

INVEST IN THE FUTURE. INVEST IN SAUDI ARABIA. INVEST IN W HOLDING GROUP.

Today, the Kingdom of Saudi Arabia stands at the center of one of the most significant economic transformations in modern history.

Strategically positioned at the crossroads of Europe, Asia, and Africa, Saudi Arabia serves as a natural gateway connecting East and West. With its vast geographical scale, strong infrastructure, growing population, abundant resources, and visionary leadership, the Kingdom has become one of the world's most attractive investment destinations.

Driven by the ambitious Vision 2030 agenda, Saudi Arabia is rapidly diversifying its economy, creating unprecedented opportunities across healthcare, education, manufacturing, artificial intelligence, tourism, hospitality, trade, technology, and innovation.

The Kingdom offers investors what every successful investment destination must provide:

- **Political and economic stability**
- **Strong government support for investment**
- **World-class infrastructure**
- **Transparent regulatory reforms**
- **Access to regional and global markets**
- **A rapidly growing consumer base**
- **Long-term sustainable growth opportunities**

Within this dynamic environment, W Holding Group has been strategically established as a diversified investment platform designed to participate in and contribute to the Kingdom's future growth.

Through its integrated ecosystem spanning Healthcare, Beauty & Wellness, Education, Manufacturing, Trade & E-Commerce, Hospitality & Tourism, Investment Services, Media & Marketing, and Artificial Intelligence, W Holding Group provides investors with direct access to some of the fastest-growing sectors in Saudi Arabia and the wider Gulf region.

Our vision extends beyond building successful companies. We are building an ecosystem that creates value, generates employment, drives innovation, develops human capital, supports economic diversification, and contributes to the future prosperity of the Kingdom.

The opportunities before us are extraordinary.

The timing is ideal.

The market is expanding.

The demand is growing.

The vision is clear.

For global investors seeking secure, profitable, scalable, and sustainable opportunities, Saudi Arabia represents one of the most compelling investment destinations of the 21st century.

W Holding Group invites strategic partners, institutional investors, sovereign wealth funds, family offices, and international corporations to join us in shaping the next chapter of growth, innovation, and prosperity.

Together, we will build businesses that create lasting value.

Together, we will contribute to the future of Saudi Arabia.

Together, we will transform opportunity into success.

W HOLDING GROUP

Building Health. Creating Knowledge. Advancing Industry. Empowering Innovation. Driving Investment.

Riyadh – Kingdom of Saudi Arabia

Your Gateway to the Future of Investment.

Recommended Investor Tagline:

"Saudi Arabia is the Opportunity. W Holding Group is the Platform."

Alternative Premium Global Slogan:

"From Riyadh to the World

Investing in Growth, Innovation, and the Future."
